

# Quick Guide to WCL eBooks

WASHINGTON COUNTY LIBRARY

## eBook Lending Policies

All customers who use any of the libraries in Washington County may check out OverDrive eBooks.

Customers are limited to 3 items checked out at a time.

At the time of check out, customers may choose to keep a title for 7, 14, or 21 days.

While browsing, customers may have up to 5 eBooks in their bookbag at any time.

If a title is checked out, a request for the title may be placed.

Customers are allowed 3 requests at a time.

An email address is required to place a request. Notification that a request is available will be sent to this email address.

After notification, requested items are held for 3 days. After that time, the request moves to the next person on the list.

It is possible to return items early, when using Adobe Digital Editions.

eBooks cannot be renewed, but may be checked out again, if there are no other requests.

Customers with unpaid fees on their library account cannot check out eBooks until the fees have been resolved. (This matches the print material borrowing policy).

**Note: eBooks cannot be downloaded to the library's publicly used computers.**

## How to Download eBooks to an eReader Device

**Books are downloaded to a computer and transferred to the eReader.**

*Adobe ID and Adobe Digital Editions required.*
